	(10 marks)

02. Read the passage and answer the questions below.

What is the importance day of Dec. 3 rd?

01.

The International disability day falls on December 3rd every year and it is widely commemorated by people with disabilities throughout the world. A disability is any restriction or lack of ability to perform an activity in the manner or within the range considered normal for a human being. It is estimated that more than 10 percent of the Sri Lankan population suffer from psychological and anatomical disabilities.

It is well realized that people with physiological disabilities suffer from mental illness due to social disgrace which is loaded on to the minds of these innocent human beings. So that the government should take necessary steps to stop this in Sri Lanka.

(2)	What is mo	eant b	y " disability" ?	
(3)	What Sort	of dis	abilities do 10% of the Sri Lankans suffer from?	
(4)			with physiological disabilities suffer from mental illness?	
(5)	Whom do	you th	ink is responsible for this issue?	
			of he Weltonale	(15 marks)
