A little light is going by

### Fireworks

Catherine wheels

They rise like sudden fiery flowers  
That burst upon night,  
Then fall to earth in burning flowers  
of crimson, blue, and white.  
Like buds too wonderful to name,  
Each miracle unfolds,  
And Catherine-wheels begin to flame  
Like whirling marigolds.  
Rockets and Roman candle make  
An orchard of the sky,  
Whence magic trees their petals shake  
Upon each gazing eye.
