6) Read the following story and answer the questions given below.

Once upon a time there lived a tortoise in a pond in a faraway village. Two cranes used to come to that pond to catch fish. <u>They</u> had become friends very soon. But unfortunately due to dry weather the water level had gone down. All the fish were dead and water weeds were withered. The tortoise didn't have enough food to eat. Two cranes were really worried about their friend.

After a fortnight the cranes suggested the tortoise to change the pond to another village. So the tortoise agreed and the cranes brought a stick and asked the tortoise to hold the stick. When it was flying with two cranes, some children had seen that. It was really funny. They started hooting and throwing stones at <u>them</u>. But the tortoise used its brain and held the stick using its fore legs and told "I am not a foolish tortoise that you have ever heard".
