

# English

Grade 11

## **Lesson 30 – Writes Articles**

**Competency 7** - Uses English creatively and innovatively in written composition.

**Competency level - 7.8** Writes compositions

### **Writes articles**

- Article is written to a magazine or newspaper.
- It informs and enlightens the reader about current issues.

Main parts of an article

1. Introduction
2. Body
3. conclusion

### **Activity 2**

**Read the following article and identify the introduction, body and the conclusion. Arrange them in the correct order.**

#### **Uses of water**

- (1) Moreover, our body itself comprises of 70% water. This, in turn, helps our body to function normally. Lack of sufficient water can cause serious health problems for humans. Therefore, the amount and quality of water which we consume is essential for our physical health plus fitness.
- (2) When we talk about our personal lives, water is the foundation of our existence. The human body needs water for the day to day survival. We may be able to survive without any food but not without water.
- (3) Water plays a major role in every living being's life. It is the home for aquatic animals. From a tiny insect to a whale, every organism needs water to survive.
- (4) Therefore, we see how not only human beings but plants and animals too require water. The earth depends on water to function. We cannot be selfish and use it up for our uses without caring about the environment.

- (5) Further, our daily activities cannot be fulfilled without water. From the moment we get up, till we go to bed we consume water for many activities which are important for our existence.
