I

Grade -11

Index No:.....

Reading time 10 Minuets

- ❖ Use the additional reading time to read the question paper, select the questions, and prioritize and organize the questions while writing the answers.

**Instructions:**

- I. Answer all the question  
II. For each of the questions from 1 to 40, choose the correct or most appropriate answer from the options numbered (1), (2), (3), and (4).

- ❖ Answer the question No 1 – 5 based on the following Case Study.

Rameena, who has completed a diploma course related to women's garment designing, rented a building near an area in the main city where many government offices are located and started a business under the name "Meena Tailors."

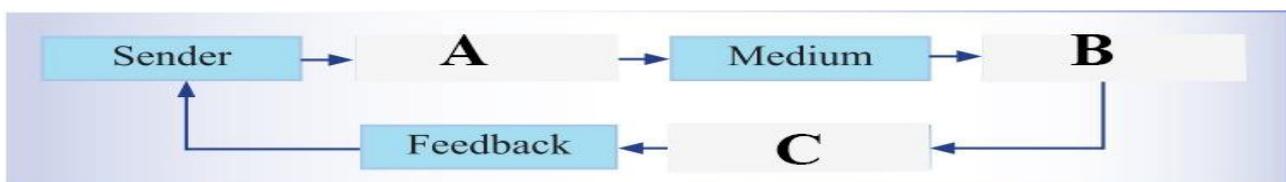

She obtains various garment designs through the internet and designs clothes according to customers' preferences. She also procures the raw materials she needs from wholesale traders in Colombo.

1. Which one of the followings needs has been satisfied by Meena's Tailoring according to the above case  
(1) House                      (2) Cloths                      (3) Safety                      (4) Health
2. Meena's Tailoring is a  
(1) Partnership                      (2) Sole trader ship  
(3) Cooperative                      (4) In cooperated company
3. Strength of a Meena's tailoring is  
(1) Business is located in town  
(2) Can get different types of models through internet  
(3) Rameena got diploma in Textile designing  
(4) Locates near government office
4. Which of the following stake holders is not related to the above mentioned Case  
(1) Owner                      (2) Customer                      (3) Government                      (4) Supplier
5. Which of the following is an advantage of this business  
(1) Liability is being limited                      (2) There is legal personality  
(3) Survive in market                      (4) Easy to start

- ❖ Answer the question from No 6 -8 with using of following information.

The well-known soap manufacturing company "Star" faced problems due to the entry of a new soap brand called "Smart" into the market. As a result, the Star Company decided to make changes to the quality, fragrance, and design of its soap

6. Which external factor is effect on Star company  
 (1) Suppliers (2) Competitors (3) Managers (4) Employees
7. Which of the following is a variable of Marketing mix mentioned the above case ?  
 (1) Product (2) Price (3) Place (4) Promotion
8. Which management function is bolded in the above case  
 (1) Organizing (2) Controlling (3) Leading (4) Planning
9. Which business is established under the democratic theory  
 (1) Cooperative (2) Sole tradership (4) Partnership (4) State company
10. Following information are related to Current Account  
 A. Transaction through cheque  
 B. Receiving interest for deposit  
 C. Availability of Over Draft Facility  
 Select the appropriate statement relating to the above  
 (1) A, B (2) B, C (3) A, C (4) A, B & C
11. Following are two statements related to cheque  
 A. Cheque transaction can be made in saving account at commercial bank  
 B. Crossed cheque cannot be enhanced to the bank counter  
 Select the most appropriate statement  
 (1) A only true (2) B only true  
 (3) A, B are true (4) A, B only false
12. The usage of electric vehicles in Sri Lanka has increased due to the permission granted for vehicle imports.  
 Which types of elements of transportation disclosed by the above statement?  
 (1) Mode, way (2) Power, Medium  
 (3) Terminal, Way (4) Mode, Terminal
13. Which is mention by insured in Insurance  
 (1) The person who receive compensation  
 (2) Third party  
 (3) Insurance company  
 (4) All the parties related to insurance
14. Following are the information process

A, B, C are respectively

- (1) Receiver, Message, Response (2) Response, Sender, Message  
 (3) Message, Receiver, Response (4) Message, Receiver, Response

15. Which one of the following is incorrect related to trade?
- (1) Selling the goods for the ultimate usage is Retail trade
  - (2) Price of final goods is increased due to the interference of Agents.
  - (3) The trade take place within the boundary line of country is foreign trade
  - (4) Import & export are the divisions of foreign trade
16. Maya planned to invest her money her savings in useful ways, Following factors are related to investment option
1. High security in investment
  2. Low risk
  3. Can reimburse the invested money within 3 months
- Select the appropriate investment option to maya
- (1) Purchasing ordinary shares
  - (2) Purchasing Treasury bill
  - (3) Purchasing assets
  - (4) Deposit in saving account
17. Select the transaction which will make the impact on Asset, Equity, & Liability
- (1) Owner drawings Rs 5000/- for his personal use
  - (2) Paid to Creditors Rs 15,000
  - (3) Bank loan installment paid Rs 50,000 included Rs 6000 interest
  - (4) Cash received from Debtors Rs 5000
18. Following information are related to Sangeethas Business for the year 2024
- |                    |             |  |
|--------------------|-------------|--|
| 01.01.2024 Capital | Rs 300, 000 |  |
| Revenue            | Rs 100, 000 |  |
| 31.12.2024 Equity  | Rs 325, 000 |  |
- There is no any drawings made by Sangeetha in 2024. Expenses of Sangeetha's business in 2024 is
- (1) Rs 25 000
  - (2) Rs 75 000
  - (3) Rs 300 000
  - (4) Rs 725 000
19. Select the double entry for Increase in Credit, Decrease in Debit .
- (1) Electricity A/C, Debtor A/C
  - (2) Building A/C, Bank loan A/C
  - (3) Bank loan A/C , Creditors A/C
  - (4) Received commission A/C, Insurance A/C
20. Following are the balances are taken from the Books of Gays Business as at 31<sup>st</sup> December 2024
- Capital Rs 500000 (01.01.2024)
  - Sales Income Rs 100000
  - Commission Income Rs 25000
  - Expenses for the year Rs 50000
  - Drawing Rs 10000
- Owner equity on Gayas business as at 2024.12.31?
- (1) Rs 550000
  - (2) Rs 565000
  - (3) Rs 590000
  - (4) Rs 625000
- Answer the question No 22 & 23 with using of following information
- A. Sales of goods on Cash basis Rs 40 000
  - B. Equipment purchase from Riyas on credit basis for business usage Rs 75,000

21. Double entry for transaction A is
- (1) Cash A/C Dr – Rs 40000  
Sales A/C Cr - Rs.40000
  - (2) Cash A/C Dr - Rs 40000  
Stock A/C Cr - Rs 40000
  - (3) Sales A/C Dr - Rs 40000  
Stock A/C Cr - Rs 40000
  - (4) Stock A/C Dr - Rs 40000  
Sales A/C Cr - Rs 40000
22. The source document & the prime entry book for transaction B is
- (1) Journal Voucher, General Journal
  - (2) Purchase Invoice, Purchase Journal
  - (3) General Journal, Purchase Invoice
  - (4) Purchase Journal, Journal Voucher
23. Owner of a bakery took 10 loaf of bread for his own purposes. The primary entry document for entering this transaction is
- (1) General Journal
  - (2) Purchase Journal
  - (3) Sales Journal
  - (4) Petty Cash book
24. Following are the purchase details in Purchase invoice  
5/40 Net 90  
Amount will be settled for getting 5% discount is
- (1) On or before 90 days
  - (2) On or before 40 days
  - (3) 40 – 90 Days
  - (4) Within 50 days
25. The bank account balance is Rs 15,500 & Bank statement balance is Rs 16,000. Select the transaction
- (1) Bank charges is Rs 500
  - (2) Bank directly received Investment income Rs 500
  - (3) Insurance payment by Standing Order Rs 500.
  - (4) Unrealized cheque Rs 500.
- Answer for the Q NO 26 – 27 using following information  
The following shows how the Electricity payment of a business was recorded in the books  
Electricity payment A/C - Dr Rs. 7500  
Cash A/C Cr 7500 Rs 7500
26. By the above entry
- (1) The balance of the suspense A/C will be Rs 1500
  - (2) Rs 1800 has been Over casted in the related Account
  - (3) Debit & Credit Column of Trail balance is not tally.
  - (4) Rs 1800 over casted in wrong side of electricity account
27. Double entry for correcting those error is
- (1) Cash A/C - Debit - Rs 1800  
Electricity A/C - Credit - Rs 1800
  - (2) Electricity A/C - Debit - Rs 1800  
Cash A/C - Credit - Rs 1800
  - (3) Electricity A/C - Debit - Rs 5700  
Cash A/C - Credit - Rs 5700
  - (4) Cash A/C - Debit - Rs 7500  
Electricity A/C - Credit - Rs 7500

28. Following are the information related to Kalaivani Rice mill

Sales	Closing stock	Carriage inwards
Opening stock	Purchase	

Select the answer which are contain in Cost of good which are ready to sell

1. Opening stock + Purchase + Closing Stock
2. Opening stock + Purchase + Sales
3. Opening stock + Closing Stock + Purchase
4. Opening stock + Purchase + Carriage inwards

29. Total sales of Famitha business for the year 2024 is Rs 400,000 60% of this sale is on Credit basis, 50% of the money of credit sale was received, 10% of debtors was bad debt  
The balance of Debtors & Bad debts in Profit % Loss statement as at 31<sup>st</sup> December 2024 respectively are,

- |                             |                            |
|-----------------------------|----------------------------|
| (1) Rs 120 000 & Rs. 12 000 | (2) Rs 108 000 & Rs 12 000 |
| (3) Rs. 120 000 & Rs 12 000 | (4) Rs 240 000 & Rs 12 000 |

➤ Answer the question No 30 & 31 with using of following information

The members of Valarmathy Sports Club are 200. The annual subscription per member is Rs100. Twenty members have not paid their annual subscription for the year ended 31-12-2024.

30. What is the subscription fee that should be entered in the Receipts and Payments Account for the year ended 31-12-2024?

- |                |              |               |               |
|----------------|--------------|---------------|---------------|
| (1) Rs. 22 000 | (2) Rs. 2000 | (3) Rs 20 000 | (4) Rs 18 000 |
|----------------|--------------|---------------|---------------|

31. What is the subscription fee that should be shown in the Income statement for the year ended on 31.12.2024

- |                |                |                |              |
|----------------|----------------|----------------|--------------|
| (1) Rs. 22 000 | (2) Rs. 18 000 | (3) Rs. 20 000 | (4) Rs 2 000 |
|----------------|----------------|----------------|--------------|

➤ Answer the question No 32 & 33 with using of following information

Aathithan started a cement pot business. The following are the transactions for the month ended 31st January 2024.

Direct Material cost Rs 90 000	Other Direct cost Rs 30 000
Indirect cost s 60 000	1000 Cement pot's has been produced in the month of January.
Wages for the production per pot is Rs 40	

32. The prime cost is?

- |                |                |                |                |
|----------------|----------------|----------------|----------------|
| (1) Rs 120 000 | (2) Rs 160 000 | (3) Rs 180 000 | (4) Rs 220 000 |
|----------------|----------------|----------------|----------------|

33. Production cost per pot is?

- |            |            |            |            |
|------------|------------|------------|------------|
| (1) Rs 120 | (2) Rs 160 | (3) Rs 180 | (4) Rs 220 |
|------------|------------|------------|------------|

➤ Answer the question No 34 & 35 with using of following information

Following information are extracted from the trail balance of Sumanthiran business as at 31.12.2024

Detail of trail balance as at 31.12.2024	Amount	Amount
Furniture	80 000	
Provision for depreciation for furniture (01.01.2024)		16 000

Additional information

- ❖ Depreciation for furniture 10%

34. The amount of depreciation to stated in income statement is  
 (1) Rs 8 000                      (2) Rs 16 000                      (3) Rs 24 000                      (4) Rs 32 000

35. The amount of provision for depreciation for furniture in financial position statement is  
 (1) Rs 8 000                      (2) Rs 32 000                      (3) Rs 16 000                      (4) Rs 24 000

➤ Answer the question No 36 – 40 with using of following information

Following are the details from the Accounts books of Rekas business as at 31.12.2024

	Rs.
Sales.....	400000
Purchase.....	200000
2024.01.01 Stock.....	15000
Carriage Inwards.....	5000
Salary.....	25000
Insurance.....	10000
Electricity Bill.....	10000
Advertisement;.....	15000
Building;.....	350000
2024.01.01 Provision for depreciation of Building ....	70000
Cash Balance .....	10000
Debtors .....	25000

Additional Information

- Depreciation for building 10% on straight line method
- Closing stock as at 31.12.2024 Rs 20,000

36. Cost of goods sold of the business as at 31.12.2024 is  
 (1) Rs. 215 000 (2) Rs. 220 000 (3) Rs. 205 000 (4) Rs. 200 000

37. Gross profit of the business as at 31.12.2024 is  
 (1) Rs. 200 000 (2). Rs. 195 000 (3) Rs. 180 000 (4) Rs. 185 000

38. Book value of building as at 31.12.2024 is  
 (1) Rs. 280 000 (2) Rs. 245 000 (3) Rs. 315 000 (4) Rs. 35 000

39. Aggregate Distribution expenses & Admiration expenses are

- (1) Rs 15 000, ₪ 80 000                      (2) Rs 15 000, Rs 75 000  
 (2) Rs 80 000, Rs 15 000                      (4) Rs 45 000, Rs 50 000

40. The value of total asset as at 31.12.2024 is  
 (1). Rs. 300 000 (2) Rs. 245 000 (3) Rs. 55 000 (4) Rs. 20 000

(1 × 40 = 40 Marks)

**Part II**

- ❖ Answer only five questions in total, selecting two questions from Part I including Question One, and two questions from Part II.

01) Answer question no 1 -10 with using the following case

Akash, a graduate in business, with no interest in obtaining government employment, started a self-owned business with the aim of being self-employed. Using easily biodegradable raw materials, he began a business that manufactures attractively designed handbags. He invested his own savings of Rs. 500,000 as capital and commenced the business on 01.01.2025 under the name “**Natural Products**”. “On the same day, he obtained a loan of Rs. 200,000 from the Bank of Ceylon at an interest rate of 12% per annum and purchased a handbag-manufacturing machine using that money. As the government introduced a policy of charging for polythene bags, the demand for durable handbags suitable for daily use increased. As a result, Akash’s business production increased and profits rose.

The transactions that took place during the month ended **31.01.2025** are as follows.

Material purchasing in cash Rs 180 000

- (a) What is meant by the term of shares issued by the company limited?
- (b) State two advantages for investing in treasury bills.

(02 Marks)

(08 Marks)

**Part II Accounting**  
(Answer only for two questions only.)

- 02) i) (a) What is accounting
- (b) Give two characteristics of Assets (02 Marks)
- ii) Observe the following information's
- |               |                            |
|---------------|----------------------------|
| (a) Capital   | (e) Electricity bill       |
| (b) Furniture | (f) Sales                  |
| (c) Bank loan | (g) Accrued expense        |
| (d) Stock     | (h) fixed deposit interest |

**Required :**

Classify the following Accounts into Asset, Liability, Equity, Income, Expense (02 Marks)

iii) The following are the transactions of the bookshop for the month ended 31 March 2025.

1. Books purchased on Credit Rs 30000
2. Rs 200,000 worth of books sold for Rs 35,000
3. Payment for Creditors Rs 10000
4. Owners Drawings Rs 1000

**Required :**

Explain how each of the above transactions will affects the accounting equation.

Consider the following equation while answering

Assets (Rs) = Equity (Rs) + Liability (Rs)

(04 Marks)

iv) Following are the Petty cash transaction of Sangeetha business for the month ended on April 2025

2025.04.01 Balance of Petty cash Rs 500

2025.04.01 Reimbursement amount Rs4500

Following are the petty cash expense of April 2025

- |                  |         |
|------------------|---------|
| • Transportation | Rs 1300 |
| • Postal         | Rs1000  |
| • Stationary     | Rs 750  |
| • Miscellaneous  | Rs1250  |

The petty cash reimbursement is made on the first day of each Month

**Required**

1. Total payment made by the petty cashier on March 2025
2. Prepare ledger account to show how the postage expenses incurred on April 2025 general ledger.
3. Balance of the petty cashier on 30<sup>th</sup> of April 2025.
4. What is the reimbursement amount of this business (04 Marks)  
(12 Marks)

- 03) i) (a) What is mean by Bank Statement?  
(b) State two examples of debits in a bank statement (02 Marks)

ii) Following are the details of Credit purchase of the Ramanan business on April 2025

Date	Invoice No	Supplier name	Description	Other Information
2025.04.10	A - 10	Ratha	100 Shirts for each at Rs 400	Trade Discount 10%
2025.04.20	B - 05	Raathika	20 Shirts for each at Rs 6=500	—

**Required**

Purchase Journal for the month ended on April 2025 (02 Marks)

iii) The Debit bank balance of Suganyas business on 31<sup>st</sup> of October 2025 is Rs 20000 but the bank statement balance of that date is not tallied with the bank account balance. Following are the reasons was found after that
